

Junior Mission for All – raises money as part of the World Mission Fund and is supported in a very generous way within Chilwell Road church. It is supported by the children and young people who regularly collect money and by the many of you who give to this. The total raised this year was £961.87. Each year I continue to be quite amazed at the amount collected through this means. Each year, certificates and medals are awarded to JMA collectors which this year will take place during the morning service on Sunday 27th November. For more information about JMA see article in this months Church Newsletter.

If you would like to become a JMA collector please come and find me.

Stephanie Bridges

30th Nottingham Girls' Brigade

If you are aged between 5 and 18 why don't you join us. We meet on Thursday evenings at the Pearson Centre.

For more information contact the captain Karen Jowett tel:946 8293
Girls' Brigade e-mail: beestongb-30thnottingham@hotmail.co.uk

November 2011

Newsletter

Hello Everyone

Muriel and I went to Goose Fair a couple of weeks ago. It's a sort of family tradition with us. We have lived in Nottingham before and I reckon I first went to Goose Fair 43 years ago. Muriel can do better than that though. She claims she went for the first time 3 months before she was born!! If you want to know how long ago that was – you'd better ask her!

While I was waiting safely on the ground for Muriel to come off the Big Wheel, I was watching the lasers lighting up the sky. Very powerful and dramatic. What I didn't know though was that the word "laser" is an acronym! That means that the letters l-a-s-e-r are the first letters of a description of what a "laser" is. It is a **l**ight **a**mplification by **s**timulated **e**mission of **r**adiation. Did you know that? I expect some of you will have done.

So what about these? - Wifom and Wysiwyg?

I found Wifom in a book yesterday – and the writer says it is a description of the way a lot of people work out the point of doing something. It stands for **W**hat's **i**n it **f**or **m**e?

And Wysiwyg apparently comes from the computer world and stands for **W**hat **y**ou **s**ee **i**s **w**hat **y**ou **g**et.

Wifom is a bit of a warning isn't it – that sometimes we can get a bit selfish. I think Wysiwyg is great though. I use it sometimes to talk about the way God loves us. I look at the beautiful autumn leaves, I think about the way our families and friends are there for us, I think about the skills and gifts God has given us, I think about being part of the church family ..What you see is what you get – it's all part of God's love for us.

I expect with your skill at texting you will know loads of acronyms that I have never even dreamt about. Let me know. I might be able to use them in a sermon sometime!

God bless *Colin*
