Long Term Undertaking

A Long Term Undertaking is in force in connection with this policy in exchange for which a discount has been allowed in the premium. The current agreement will expire at the approaching renewal date. To save inconvenience, the premium shown in your renewal papers assumes you will wish to continue to enjoy the benefit of the discounted premium by making a fresh undertaking for the further period shown above.

A copy of the Undertaking is given below. If you agree this then no further action (other than payment of the premium at renewal date) is necessary. If you do not wish to proceed with the Undertaking then please complete and return the advice form below immediately, and we will reissue the renewal papers accordingly without the discount.

Provided the next renewal premium is paid the following Long Term Undertaking Clause applies with effect from the Renewal Date shown above:

In consideration of the Methodist Insurance plc (hereinafter called 'the Company') agreeing to allow a discount from the premium (or relevant parts thereof), we, the Insured, hereby undertake to offer annually for the term of this undertaking the insurance under the said policy (or relevant sections) on the terms and conditions in force at the expiry of each period of insurance and to pay the premium thereon annually in advance, it being understood that:

- the Company shall be under no obligation to accept the offer made in accordance with this undertaking;
- the sum insured may be reduced at any time to correspond with any reduction in value

This Undertaking shall apply to any policy which may be issued by the Company within the duration of the Undertaking in Substitution for the above mentioned policy and the same rate of discount shall be allowed from the premium (or relevant parts thereof) of any such substituted policy (or relevant sections) issued by the Company.
